Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The seashore, the beach, the coast. Whatever you call it, whether you love it or hate it, the thought will call up a mental image for almost everyone. The sand, the waves, the shells, the birds; all these things are a part of the experience. But however we feel about the seashore, do we think of it as having a place in great art? The great artist, Winslow Homer certainly did. I have included a sample of his work on seashores. I encourage you to do a little research and find some more. This is a picture book for students of all ages.A picture book of the seashore. The shore appears throughout this book; sometimes just as the scenery, sometimes the people at the shore are helping to tell the story.
