

## Silence in Court

**Silence in Court**  
Copyright notice  
"How would you like to be a rocker? A stranger for a week, an heiress for a week, then down with the sick and a stranger again."  
Imposters, warm-hearted Honoria Mapleton plans to revive her sick husband with a new heart. But she's been given a fatal overdose of pills. All eyes are on Carey Silence, a penniless orphan who was recently made Honoria's ward. Suspicion becomes evidence, and the trial begins. The trial of Carey Silence is a classic golden age mystery with many suspects and twists. Who was the "rock" referred to? Who was it Honoria really intended to put out of her will? And most importantly - who murdered him?  
This novel, from 1945, tells the story of one of the most dramatic trials in detective fiction - the trial of Carey Silence. The new edition features an introduction by crime fiction historian Curtis Evans.  
"When I pick up a book by Patricia Wentworth I think, now to enjoy myself - and I always do." Mary Duff, *Daily Mirror*
