Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How many digital photos do you have jumbled on your computer? A picture is worth a thousand words, but if you re not managing your photos, they re just wasting space on your computer hard drive. Or worse yet, you risk losing those priceless photos forever. What s a Picture Worth? is a user-friendly guide to help walk you through how to organize, rename, and tag your photos so you can find any photo in mere seconds. You ll learn to leverage free software to fix a so-so photo and turn it into one that really pops. The author will show you the best method to back up your photos and how to share and collaborate on those memories so they re not gathering dust in your computer. Plus, you ll gain useful tips on taking better pictures and scanning old photos. With over 15 years in the computer industry, Jim White knows the important balance of taking something technical and making it less complicated for the everyday computer user. He loves to learn the intricacies of how things work and then find ways to make them easier for everyone to understand. With thousands of his own photos, Jim has perfected ways to organize, fix, and share his photos and now wants to pass that knowledge onto you!.
