

An Inquiry into the Nature and Causes of the Wealth of States: How Taxes, Energy, and Worker Freedom Change Everything (Hardback)

By Travis H. Brown, Rex A. Sinquefield, Arthur B. Laffer

John Wiley Sons Inc, United States, 2014. Hardback. Book Condition: New. New.. 231 x 160 mm. Language: English . Brand New Book. A passionate, detailed, quantified argument for state-level tax reform An Inquiry into the Nature and Causes of the Wealth of States explains why eliminating or lowering tax burdens at the state level leads to economic growth and wealth creation. A passionate argument for tax reform, the book shows that even states with small populations can benefit enormously with the right policies. The authors detailed exposition evaluates the impact state and local government policies have on a state's relative performance and economic growth overall, backed up with economic data and analysis. Facts don't lie. But they do point clearly to the failure of so-called progressive tax schemes designed more to curry favor with selected constituencies than to create an economic system that leads to individual wealth as the reward for hard work and entrepreneurial risk taking. An Inquiry into the Nature and Causes of the Wealth of States is a detailed and critical look at income taxation across the nation, and drills down into an analysis of the economic growth or malaise that results from tax policy....
