

Learning to Serve: A Book for New Altar Boys (Paperback)

By Father Charles J Carmody

St. Augustine Academy Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. This 1961 classic contains all the valuable information that a young man needs in order to learn how to serve the traditional Latin Mass—yet it is so much more than just nuts and bolts. After reading this book, boys will come away not only with an understanding of the parts of the Mass and the role they must fulfill; they will also have a true sense of the privilege with which they will be entrusted, and the ways in which they must advance in order to be worthy of that honor. Each of these 25 illustrated lessons therefore begins with a discussion of the character and responsibilities of those who assist at the altar. This done, a portion of the Latin responses are taught in phonetic form, and after this rubrics are introduced. Each chapter then ends with review questions. Useful in a classroom setting or for independent study, Learning to Serve is an indispensable resource for all prospective altar servers and those who are charged with their instruction.
