By -

Centre for Addiction and Mental Health, Canada, 2006.

Paperback. Book Condition: New. New.. 229 x 150 mm.

Language: English . Brand New Book ***** Print on Demand

*****. Understanding how substance use, mental health and

gambling problems affect older adults can help people who

work with them to respond more sensitively and effectively when

difficult situations arise. This easy-to-read booklet is designed to

help workers and volunteers understand and recognize signs of

problems. The booklet describes each of the following problem

areas, as they relate to older adults: alcohol problems anxiety

dementia depression gambling problems medication issues. Tips

on communicating with older adults with each of these

problems are included, as are guidelines on when to seek help.

The booklet also includes: facts about the aging process a

discussion of cultural issues lists of organizations offering

information about services for older adults with substance use,

mental health and gambling challenges further resources on the

web, and in print. Administrators and managers of services and

facilities for older adults are encouraged to order this booklet

for their staff.
