

Saucer: A Relic from the Past, a Bridge to the Future (Paperback)

By Stephen Coonts

St Martin's Press, United States, 2003. Paperback. Book Condition: New. Reprint. 168 x 107 mm. Language: English. Brand New Book. A relic from the past. A bridge to the future. After 140,000 Years. Seismic Surveyor Rip Cantrell has made an exhilarating discovery—a flying saucer embedded in the Sahara sandstone. Buried for eons, it's not the invention of modern man. Computer-equipped, it can't belong to ancient man. Rip's betting his life on the only alternative. If the ship's memory bank holds the proof he needs, it's going to rock civilization, and make Rip a very famous man. Its Time Has Come. Once the secret's out, Rip's outwitted by an enterprising billionaire set to steal the saucer's profitable technology—and outnumbered by the Libyan army looking to lay claim to history. But it's in a skeptical UFO investigation team that Rip finds an unlikely ally: test-pilot Charlotte Pine. Together, they come up with a plan to protect the saucer's secrets. But Where In The World Is It Going? Under a hail of bullets, in an exhaust of white fire, Rip and Charlotte are off. Accelerating on a fantastic journey across continents and oceans, they...
