Introducing Heidi Heckelbeck--a brand-new young chapter-book series with witchy whimsy! Heavily illustrated with large type, Little Simon's young chapter books let young readers feel like they are reading a grown-up format with subject, text, and illustrations geared specifically for their own age groups! Heidi Heckelbeck seems like any other eight-year-old, but she has a secret: She's a witch in disguise. Careful to keep her powers hidden (but excited to use them all the same), Heidi's learning to live like any other kid--who just happens to be a witch. And with easy-to-read language and illustrations on almost every page, Heidi Heckelbeck chapter books are perfect for beginning readers. Heidi and her brother Henry have always been homeschooled--until now. But Heidi is not happy about attending Brewster Elementary, especially not when meanie Melanie Maplethorpe turns Heidi's first day of school into a nightmare by announcing that Heidi is smelly and ruining her art project. Heidi feels horrible and never wants to go back to school--but while sulking in her room at home, she remembers her special medallion and Book of Spells. With a little bit of carefully concealed magic, Heidi might be able to give Melanie a taste of her own medicine.
