INFORMATION TECHNOLOGY BIBLE

Laxmi Publications Pvt. Ltd, 2007. Softcover. Book Condition: New. First edition. There is no book which can teach you from A to Z of computers. Some of them are too complicated while others are too childish. This book has been written to fill this void. The book while giving the information about the computers, also tells you how to use it and use it effectively to produce results. It covers most of the common known applications of computers like Word...
