

## How Hitler Could Have Won World War II (Paperback)

By Bevin Alexander

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. New edition. 228 x 154 mm. Language: English . Brand New Book. Most of us rally around the glory of the Allies victory over the Nazis in World War II. The story is often told of how the good fight was won by an astonishing array of manpower and stunning tactics. However, what is often overlooked is how the intersection between Adolf Hitler's influential personality and his military strategy was critical in causing Germany to lose the war. With an acute eye for detail and his use of clear prose, acclaimed military historian Bevin Alexander goes beyond counterfactual What if? history and explores for the first time just how close the Allies were to losing the war. Using beautifully detailed, newly designed maps, How Hitler Could Have Won World War II exquisitely illustrates the important battles and how certain key movements and mistakes by Germany were crucial in determining the war's outcome. Alexander's harrowing study shows how only minor tactical changes in Hitler's military approach could have changed the world we live in today. How Hitler Could Have Won World War II untangles some of the...
