On Demand Publishing, LLC-Create Space, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. You probably landed on this page because: A) you feel partially or totally clueless about the subject (Wine). B) you want to stop buying the first bottle of wine you see, hoping that a medium price equals, at least, a middle quality wine. C) you are sick of waking up with terrible headaches, wondering if it was because of that not so good wine you drank last night. D) you'd love to find yourself speaking about the subject, not faking, but exactly knowing what and why you are saying. E) all of the above. more Wine is a complicated subject, really. But it would be great to have a solid base, a kick off to face a wine shop, choose between two red wines, go back home, open your bottle, decant the wine, taste it and express your opinion: good, bad, balanced, fine. It would mean you are really experiencing wine, that you are building experience, that your senses are evolving, that you are going in the right direction, versus a deeper, enjoyable knowledge. There are options. If you have time (and money) you can attend professional classes. If you have less time (and less money) you can go to an amateur school. If you have a lot of time you can surf the web and collect the best DIY material available online. If you want flexibility and a do-it-at-home thing, you can purchase a book! A well done book can give you the opportunity of DIYing, at home. On a Monday night, on Fridays, when the working week is over, or on a rainy Sunday afternoon. A good book will guide you, step by...
