How do we talk about it? What do I DO with it? What s the best way to assess it? How do I meet standards? When can I possibly fit it into my already over-packed day? Have you ever asked these questions about poetry? Whether you already love poetry or you fear or even actively dislike it, these books are for you. The poems, Notes from the Poet, extension activities written by experienced classroom teachers, and tips for using poetry in your classroom will have you sharing poems in no time.
