

Blood Mountain: Volume 5: Dogs of War Series (New edition)

By Leo Kessler

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, Blood Mountain: Volume 5: Dogs of War Series (New edition), Leo Kessler, The Führer's orders were clear - conquer Mount Elbrus, highest peak in the Caucasus mountains. But there were problems: Elbrus was behind the Russian lines; the route to the mountain was blocked by hostile Cossack tribesmen; and the fanatical Red Ravens, Stalin's elite corps of women commandos, were dedicated to protect the mountain's secrets. Above all, the mountain itself, aloof and undefiled, was protected by bitter cold, savage winds, thin air, treacherous traverses - it was a killer. Only one unit in the German Army could hope to fulfil the Führer's demand - one unit with the necessary combination of bawdy, reckless courage and elan, of superb leadership and matchless skills: Stormtroop Edelweiss.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
