Findhorn Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Touch: Healing Miracles and Methods, Doug Heyes, Within each of us, there exists a wellspring of radiant healing energy that can be accessed, channeled and used for personal healing and facilitating healing in others. THE TOUCH centers on the practice of RAM Healing(TM) (Radiance Aesthesia Method(TM)) - a powerful approach to healing, created and developed from a synthesis of interwoven principles and techniques from Qi Gong, T'ai Chi, Kung Fu, Breathwork, Prayer, Shamanic Wisdom, Eastern, Western and Botanical Medicine, Spiritual Psychology and Quantum Theory. Despite its deep, wide-ranging roots, RAM Healing(TM) is simple, accessible and effective. It can be learned quickly and practiced immediately by anyone, both as a healing modality and as a dynamic pathway to radiant health, authentic empowerment, and Self-awakening. Heyes likens the learning curve to Chess: "You can learn the moves in an hour and spend a lifetime mastering the game," Heyes writes, "When we first start doing this work, we tend to do a lot to achieve minimal results. As we advance, we find ourselves doing less and less to achieve more and more. Finally, as we become masters, we achieve our most dramatic results by doing nothing at all." THE TOUCH is much more than a teaching guide. Its heartbeat comes through in Heyes' inspiring "tales from the trail," milestones on his amazing trek down the path of light, stories of remarkable healings - including his own - that changed his life forever. The soul of the book is here, in the real-life demonstrations which illustrate and underscore the practice, connecting us experientially to the Source of these powerful teachings. Heyes writes with a clear, rhythmic, evocative style that seems to carry the reader along on those same waves of energy he's writing about...
