Columbia University Press. Paperback. Book Condition: new. BRAND NEW, Creative Strategy: A Guide for Innovation, William Duggan, William Duggan's 2007 book, Strategic Intuition, showed how innovation really happens in business and other fields and how that matches what modern neuroscience tells us about how creative ideas form in the human mind. The crucial middle step--the search for past examples--takes readers beyond their own brain to a "what-works scan" of what others have done within and outside of the company, industry, and country. It is a global search for good ideas to combine as a new innovation. Duggan illustrates creative strategy through real-world cases of innovation that use the same method: from Netflix to Edison, from Google to Henry Ford. He also shows how to integrate creative strategy into other methods you might currently use, such as Porter's Five Forces or Design Thinking. Creative Strategy takes the mystery out of innovation and puts it within...
