## GIRL FRIEND OTHER MYSTERIES OF LOVE

Propaganda Press. Paperback. Book Condition: New. Paperback. 72 pages. Dimensions: 8.4in. x 5.3in. x 0.4in. They're complex, these things we build our hearts around. Times change. People change. Places change. The good and the bad comes and goes. We move in circles; we move in lines; we move in slow motion. The more things change, the more they remain the same. But one thing remains constant through all of time and place: Love. This book is a meditation on the ebb and flow of love in these changing times. The screw-ups, suck-ups, epiphanies, black holes, celestial awakenings, and confusions of the thing considered mystical to some, and impossible to others. Told from the perspective of a middle-aged lover-in-training, these poems have all the joy, all the pain, and all the wonder, but resonate through eyes that have traveled a few miles down that sometimes-lonesome highway of romance. A book of meaning, wonder, laughter, and tears that women will adore but don't be fooled, men, because you'll root for it, too! While the women are smiling in romantic bliss, you men will be wondering where this guidebook has been all your lives. Romance is not dead! Knuckleheads still abound! Love, sweet love is still the kindest medicine of them all. It takes an experienced traveler to understand what to make of love. Charles P. Ries is guide, guru, therapist, participant, and equal-opportunity opportunist, as well as the blind leading the lost. Yet, through it all, his true north remains love, and his destination remains this singular realization of what it is to be fully alive and human. Sample: Influences of Light It happens each early summer. She backs off her anti-depressants, thinking more UV rays can substitute for her drugs. She comes out swinging, determined to reclaim what is rightfully hers. For a day or a...
